## Software Developer

Windsor, ON

+1 519 563-7087

[mattmomney@hotmail.com](mailto:mattmomney@hotmail.com)

Experienced and hard-working software developer with 7+ years' technical experience creating elegant and engaging web solutions. Implementing asynchronous data transfer through REST services and utilizing tools like PostgreSQL, Docker, and CI/CD platforms like GitLab to streamline the development process. Successfully implemented a templating system resulting in a 33% reduction in development time and a 50% decrease in errors and error tracking time. Provided valuable UI/UX analysis and support, ensuring adherence to industry standards and guidelines. Passionate about building exciting and interactive websites and applications in an Agile environment.

### EXPERIENCE

#### Alteris Group Canada, Remote

##### *Application Developer / Technical Project Manager*

June 2017 – August 2023

- Developed fully responsive websites and applications with asynchronous data transfer, utilizing the latest tools to streamline development and ensure engaging user experiences.
- Developed and maintained alterisgroup.com website.
- Successfully implemented a templating system resulting in a 33% reduction in development time and a 50% decrease in errors and error tracking time.
- Provided valuable UI/UX analysis and support, ensuring adherence to industry standards and guidelines for projects and the company's design system.
- Collaborated effectively with cross-functional teams including Writers, Designers, Quality Assurance, and Project Managers to resolve technical issues and deliver client satisfaction.
- Led the onboarding and training process for new developers working on eLearning projects, driving successful project delivery.

#### Alteris Group Canada, Windsor Ontario

##### *Web Developer Contractor*

December 2015 – June 2017

- Successfully developed and managed eLearning projects, delivering high-quality results efficiently.
- Demonstrated exceptional attention to detail by implementing designs precisely for engaging and interactive fully responsive websites and applications.

#### Red Lobster, Windsor, ON

##### *Kitchen Staff / Kitchen Expeditor*

September 2008 – September 2017

- Facilitated efficient order flow and clear communication between waitstaff and kitchen, ensuring seamless operations.
- Ensured strict adherence to health and safety standards by overseeing the performance of kitchen staff.
